Scotia Capital Inc.

## Introduction

Scotia Capital Inc. ("we," "our," "us," or "the firm") is providing this Statement of Policies concerning conflicts of interest with related and connected issuers ("Statement of Policies") to you, our clients, to disclose to you our relationships in respect of securities of related or connected issuers and certain other issuers where conflicts of interest may arise. This Statement of Policies is effective as at May 1, 2019, except if expressly noted otherwise.

Under certain circumstances we may deal with or for you in securities where we, or a party with an ownership or business relationship with us, are the issuer of the securities. Since these relationships may create a conflict or the appearance of a conflict between our interests and yours, we have adopted policies and procedures to assist us in identifying and minimizing any conflicts of interest that may arise. The terms "influential securityholder," "related issuer" and "connected issuer" are used to describe these relationships, and are explained below.

**Influential securityholder** — An influential securityholder exercises influence over an issuer on the basis of direct or indirect ownership or control of securities aggregating more than 20% of the voting rights or entitlements to distributions of an issuer (or more than 10% if accompanied by the entitlement to nominate at least 20% of a board of directors).

**Related issuer** — A person or company is a related issuer to the firm if:

- < they are an influential securityholder of the firm;
- < we are an influential securityholder of the person or company; or
- < each of us is a related issuer of the same third person or company.

**Connected issuer** — An issuer or selling securityholder is a connected issuer of the firm if they are distributing securities and one of them, or a related issuer of one of them, has a relationship with

- < the firm;
- < a related issuer to the firm;
- < a director, officer or partner of the firm; or
- < a director, officer or partner of a related issuer to the firm

that may lead a reasonable prospective purchaser of the securities to question if we are independent of the issuer or selling securityholder for the distribution.

Scotia Capital Inc. is required to make certain disclosures where we act as your dealer, advise you, or exercise discretionary trading authority on your behalf, with respect to securities of a related issuer or a connected issuer.

**Scotia Capital Inc. has a relationship with the issuers listed in this Statement of Policies.**

**Scotia Capital Inc., its directors, officers, partners, sales staff and/or other employees may from time to time recommend that you trade in, or provide to you advice about, or trade on a discretionary basis on your behalf in, or sell or underwrite a security issued by these listed issuers. If you require further information concerning the relationship between the firm and these listed issuers, please contact us. This Statement of Policies is updated annually and is also provided at the following times and in the following manner:**

- < When you open an account with Scotia Capital Inc., we will deliver to you our Statement of Policies, which we will update annually and make available to you on request. This Statement of Policies will also be available through the Scotiabank website.

- < When we participate as an underwriter or as a member of a selling group of securities of a related or connected issuer, we will disclose our relationship to the issuer in the prospectus or other document being used to qualify these securities.
- < When we buy or sell securities of a related or connected issuer for your account, we will disclose our relationship to the issuer in the trade confirmation and monthly account statement which we prepare and send to you.
- < When we advise you with respect to the purchase or sale of securities of a related or connected issuer, or we act as a portfolio manager and exercise discretionary authority to purchase or sell securities of a related or connected issuer for your account, disclosure will be made in advance of our giving the advice or exercising our discretion, either through the delivery of this Statement of Policies, the posting of this Statement of Policies on our website, disclosure in the account agreement governing your account (which disclosure will also provide for the client's consent to such transactions) or otherwise.

Scotia Capital Inc. may have acted, and is prepared to continue to act, as an adviser, dealer, member of a selling group, or underwriter with respect to securities of its related or connected issuers and to provide the full range of services customarily provided by us in respect of securities of other issuers.
