Addendum For New Ontario LIFs

(Opened beginning
January 1st, 2008)

This Addendum sets out further provisions that apply to LIFs which are subject to the *Pension Benefits Act* (the "Act") of the province of Ontario.

This Addendum forms a part of the main LIF Agreement to which it is attached. In the case of any inconsistency between the main LIF Agreement and this Addendum, this Addendum shall prevail in all cases.

The mailing address of The Bank of Nova Scotia Trust Company (Scotiabank®) is as follows:

Scotiabank, 44 King St. West, Toronto, Ontario M5H 1H1.

1. Definitions

All of the definitions regarding life income funds set out in the Act and the Regulations to it are incorporated in this LIF Agreement. In addition, in this Addendum, the term "Schedule" means Schedule 1.1 of the Regulations to the Act.

2. Transfers

The paragraph heading of section 9 of the main LIF Agreement titled "From your Scotia Self-Directed LIF, LRF, or Saskatchewan PRRIF to:" and the bullets thereunder are replaced with the following:

From your Scotia Self-Directed LIF to:

- an immediate life annuity that meets the requirements of paragraph 60(l) of the Tax Act and the Act and the Regulations to it;
- another LIF you own that is governed by Schedule 1.1 to the Regulations to the Act; or
- another permissible registered retirement investment vehicle that meets the requirements of applicable tax legislation and the Act and the Regulations to it."

3. Calculating Payments

- (a) To calculate the maximum amount payable under your Scotia Self-Directed LIF in a fiscal year, the fifth to ninth paragraphs of section 7 of the main LIF Agreement do not apply. Instead, the maximum amount payable under your LIF in a fiscal year is, subject to subsections (b), (c) and (d), equal to the greater of the following amounts:
 - (i) The investment earnings, including any unrealized capital gains or losses, of your LIF in the previous fiscal year.
 - (ii) If the money in your LIF is derived from money transferred directly from another life income fund or a locked-in retirement income fund (the "transferring fund"), and if the income is being paid out of your LIF in the fiscal year following the fiscal year in which it was established, the sum of,
 1. the investment earnings, including any unrealized capital gains or losses, of the transferring fund in the previous fiscal year, and
 2. the investment earnings, including any unrealized capital gains or losses, of your LIF in the previous fiscal year.
 - (iii) The amount calculated using the formula C/F in which,
 - "C" is the value of the assets in your LIF at the beginning of the fiscal year, and
 - "F" is the present value, at the beginning of the fiscal

year, of an annuity of \$1 payable annually in advance over the period commencing at the beginning of the fiscal year and ending on December 31 of the year in which you reach age 90.

The following interest rate assumptions are to be used to determine the amount "F":

1. The interest rate for each of the first 15 fiscal years of the period referred to in the definition of "F" is the greater of 6 per cent and the nominal rate of interest on long-term bonds issued by the Government of Canada for November of the year before the beginning of the fiscal year, as determined from the Canadian Socio-Economic Information Management System (CANSIM) series V122487 compiled by Statistics Canada and available on the website maintained by the Bank of Canada.
2. For the sixteenth and each subsequent fiscal year of the period referred to in the definition of "F", the interest rate is 6 per cent.
 - (b) If any money in your Scotia Self-Directed LIF is derived from money transferred directly or indirectly from another life income fund or a locked-in retirement income fund, the maximum amount that may be paid out of the LIF in the fiscal year in which the money is transferred into the LIF is zero.
 - (c) If the initial fiscal year of your Scotia Self-Directed LIF is not 12 months long, the maximum amount determined under this section 3 shall be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as one month.
 - (d) The amount of income paid out of your Scotia Self-Directed LIF during a fiscal year must not be less than the minimum amount prescribed for an RRIF under the Tax Act. If such minimum amount is greater than the maximum amount determined under this section 3, the minimum amount must be paid out of your LIF during the fiscal year.

4. Joint Life Annuity

When the funds in your Scotia Self-Directed LIF are used to buy an immediate life annuity, this must be a joint life annuity for you and your spouse as required by the Act and the Regulations to it, provided you have a spouse at the time and he or she has not waived his or her rights in the form and manner required by the Act and the Regulations to it.

5. Withdrawals

A. 50% Unlocking Option (Effective January 1, 2010)

- (a) If assets are transferred to your Scotia Self-Directed LIF from a pension fund, a locked-in retirement account, a locked-in retirement income fund or another life income fund, you may, upon application in accordance with the applicable Schedule provision either withdraw from your LIF or transfer from it to an RRSP or RRIF an amount representing up to 50 per cent of the total market value of the assets transferred into your LIF.
