

IRC REPORT TO UNITHOLDERS
As at December 31, 2015

Dear Unitholder:

The members of the independent review committee (“IRC”) of the mutual funds managed by 1832 Asset Management (“the “Manager”) are pleased to provide you with our annual report to unitholders. The information contained in this report covers the period beginning January 1, 2015 and ending December 31, 2015 (the “Reporting Period”).

Securities regulators in Canada have given IRCs a mandate to review conflict of interest matters identified and referred to them by mutual fund managers, such as 1832 Asset Management. Once identified, a mutual fund manager must present its conflict of interest matters to the IRC for either approval or recommendation, depending on the conflict of interest matter.

At least annually, the IRC reviews and assesses the adequacy and effectiveness of 1832 Asset Management’s policies and procedures relating to conflict of interest matters in respect of the funds listed in Schedule “A” attached (collectively, the “Funds” or individually, the “Fund”). The IRC also conducts a self-assessment of its independence, compensation and effectiveness.

The members of the IRC look forward to continuing to serve the best interests of the Funds’ unitholders and working effectively and openly with 1832 Asset Management.

“Carol S. Perry”

Compensation and Indemnities

The aggregate compensation paid by the Funds to the IRC for the Reporting Period was \$131,361. This amount was allocated amongst the Funds.

No indemnities were paid to the IRC by the Manager of the Funds during the Reporting Period.

At least annually, the IRC reviews its compensation, giving consideration to the following:

1. the best interests of the Funds;

2. industry best practices, including industry averages and surveys on IRC compensation;
3. the number, nature and complexity of the mutual funds for which the IRC acts; and
4. the nature and extent of the workload of each member of the IRC, including the commitment of time and energy that is expected from each member.

Conflict of Interest Matters

During the period January 1 to December 31, 2015, the IRC considered conflict of interest matters that 1832 Asset Management referred to it for its recommendation or, where applicable, its approval pursuant to its charter and in accordance with the requirements of the Canadian securities regulators for independent review committees of publicly offered mutual funds set forth in National Instrument 81-107 (“NI 81-107”). The IRC considers conflict of interest matters referred to it and makes recommendations to 1832 Asset Management on whether or not the IRC believes the proposed actions of 1832 Asset Management will achieve a fair and reasonable result for the applicable Funds. Where appropriate, the IRC gives 1832 Asset Management standing instructions which enable 1832 Asset Management to act in a particular conflict of interest matter on a continuing basis provided 1832 Asset Management complies with its policies and procedures established to address that conflict of interest matter and reports periodically to the IRC on the matter.

The IRC is not aware of any instance in which 1832 Asset Management acted in a conflict of interest matter referred to the IRC for which the IRC did not give a positive recommendation. 1832 Asset Management has an obligation to notify the IRC of all such instances.

1832 Asset Management has an obligation to report to the IRC any instance in which it acted in a conflict of interest matter but did not meet a condition imposed by the IRC. As of the date of this report, 1832 Asset Management has informed the IRC that it is not aware of any such instances.
